FADE IN

EXT. SMITH DRIVEWAY - MORNING

JERRY is hosting a yard sale. A small crowd of people look through the items on sale. MR. GOLDENFOLD buys a stack of magazines and exits. Jerry waves to him.

JERRY

Thanks again, Mr. Goldenfold! I'm sure you'll be feeling *golden* in no time!

Jerry laughs to himself as BETH enters the driveway.

JERRY (CONT'D)

O-Oh, *Beth*! You're home early! Aren't you... supposed to be at work?

BETH

(Scornfully)

I wish I could ask you the same question. But then I remembered you're *Jerry Smith*.

JERRY

Well hey, I just made two bucks off those old *Sports Illustrated* magazines!

BETH

Yeah? Well if you actually *had* a job, you wouldn't have to rely on another man's lust to afford a pack of gum.

Beth begins walking into the house.

JERRY

Oh come on, Beth! I just needed a little extra cash!

BETH

So you're having a yard sale?

JERRY

Why do you treat everything I do like it's the end of the world or something?

A large, extraterrestrial satellite lands in the front yard. Flames engulf the front yard and most of the items being sold. All the people at the yard sale run away screaming.

JERRY (CONT'D)

Oh, no! *Oh, no!* My imported towel collection! My bathroom golf set!
(on the verge of tears)
...My sign!

Jerry's yard sale sign labeled "Jerriffic Deals!" Is broken in half.

RICK and MORTY enter through a portal. Rick is in the middle of a conversation with Morty.

RICK

...And that's why cheating is completely fair game!

BETH

(to Rick)
Wow Dad, that was perfect timing.

RICK

Yeah, I installed a nanochip inside Jerry's head that alerts me every time he's in distress. I-It's very amusing...

JERRY

God damn you, Rick!

RICK

So what's happened since your last distress signal twenty minutes ago?

Everyone watches as Jerry mourns the loss of his yard. The fire continues to burn fiercely.

RICK (CONT'D)

Let me guess. Did the DVR forget to record Dr. Phil again?

JERRY

(yelling)
Shut up, Rick! You know *damn* well why I'm upset!

RICK

Things crash and burn, Jerry. You should know that better than anyone.

(MORE)

RICK (CONT'D)

It's almost like the yard is the physical embodiment of your marriage.

Jerry looks down in shame. The yard flames accentuate.

MORTY

Jesus, Rick, was that really necessary?

RICK

(burps)
Yeah, you- yeah.

Rick extinguishes the flames with a gadget. He opens the extraterrestrial satellite to find a single letter. His eyes widen as he reads it.

RICK (CONT'D)

(sighs)
God dammit. No!

MORTY

(frantically)
Is it a declaration of war? Is it an interdimensional citation? I-I- Is it a Garblaxian assassin disguising itself as a piece of paper?

RICK

Even worse. It's an invitation to meet up with my college roommate.

INTRO

INT. RICK'S SPACESHIP - SPACE

Rick and Morty fly towards the moon.

MORTY

So *why* do we have to go to the moon to meet your roommate?

RICK

Wow, Morty, it's almost as if you *weren't* listening to my explanation during the thirty two second intro sequence.

Rick grabs a garage door remote from the glove compartment and presses it. A large crater on the moon opens up, revealing an entrance. They fly inside.

RICK (CONT'D)

Just so you're aware, Morty, don't listen to anything my roommate has to say.

MORTY

What do you mean?

RICK

That prick is like the Charles Ponzi of space. You can't trust him!

MORTY

...Uh?

RICK

We used to cause a lot of mischief throughout the galaxy. We made a lot of enemies, got banned from several solar systems and boned a lot of space hookers. Typical college stuff.

MORTY

What happened between you two?

RICK

(sighs)

All you need to know is that he's the biggest douche in the galaxy, Morty.

MORTY

Wow, that sounds an awful lot like someone *else* I know.

RICK

Ooh, you got me, Morty. Keep that up and you'll be playing bathroom golf like Jerry.

INT. SMITH DRIVEWAY - MORNING

The front yard is covered in burned clothes and household appliances. Jerry sobs as he pats his scorched bathroom golf set. Beth face palms.

BETH

Get over it, Jerry. Grow up and move on like the rest of us.

Beth tosses Jerry a broom and exits. Jerry sweeps through a pile of soot and finds a creepy book, completely unaffected by the fire. Jerry looks intrigued.

INT. MOON BASE - CONTROL ROOM

Rick and Morty walk into a dark control room with various buttons and levers on the walls.

MORTY

Wow, Rick, this is so cool. Did people used to live here or something?

RICK

Not people, Morty, just assholes who liked messing with primitive life.

Rick flips a light switch on. ZLIPPY DIP, a blue alien wearing an elegant robe, sits at the opposite end of a table in the center of the room.

ZLIPPY DIP

Rick Sanchez! *Long-a time no see!*

RICK

(Rolls eyes)
Ugh, hello Zlippy Dip.

MORTY

(voice cracks)
What's up?

Morty gulps.

ZLIPPY DIP

Oh, this must be Morty! I've heard-a so much about you!

MORTY

(to Rick)
Wait, you've told him about me?

RICK

Obviously not. He *just* heard me say your name.

MORTY

...Right.

RICK
 We've been here for two seconds and
 you've already Jerry-d things up.

Rick drinks from his flask.

RICK (CONT'D)
 (to Zlippy Dip)
 What's this about, Zlip?

ZLIPPY DIP
 Oh, come on, Rick! You know why I'm-
 a here.

Zlippy Dip jingles a small key ring.

RICK
 Right *now*? You really think I'm
 gonna play *that* again?

MORTY
 (to Rick)
 Play what? What is he talking
 about?

ZLIPPY DIP
 You know you want too, Rick. Don't-
 a be a sore loser!

MORTY
What the hell is going on?

RICK
 (to Zlippy Dip)
 I'm not the sore loser, you space-
 Italian son-of-a-bitch! I'll play
 your stupid game!

ZLIPPY DIP
Molto bene!

MORTY
 (to Rick)
 Game? What game?

RICK
 (ignoring Morty)
 And when I win, you'll leave the
 Milky Way for *good*.

MORTY
 (whispering)
 I thought we shouldn't trust him!

ZLIPPY DIP
 ...And if *I* win, I finally get to
 destroy your home planet!

MORTY
 Wait, WHAT?

RICK
 Yeah, hold up, Zlippy Dip. Uneven
 trade.

ZLIPPY DIP
 Fine, if you win, I'll leave your
 galaxy *and* give you three hundred
 zlepleweeps.

Beat.

MORTY
 No deal. Right, Rick?

RICK
 (to Morty)
 You got it.
 (to Zlippy Dip)
 Let's play some motherfuckin'
 Terraform Tactics, baby!

EXT. SMITH DRIVEWAY - NOON

Jerry is looking through the creepy book. Beth enters.

BETH
 Jerry, it's been two hours! What
 have you been doing this whole
 time?

JERRY
 I found this really weird book! Do
 you know where it came from?

BETH
 Jerry, there are bigger, more
 important things you should be-

Jerry gets distracted by the book. He sees a picture of a
 person in the book that looks like him.

JERRY
 (ecstatic)
 Wow! That looks just like me!
 (gasps)
 ...And he has a cool sign, *too*?

The next page shows the Jerry look-alike next to a sign labeled "Wingardium Jerryosa."

JERRY (CONT'D)
This is *so* weird! Ha ha!

Jerry walks inside his house without looking up from the book. Beth looks at him in disgust as he completely disregards the front yard.

INT. MOON BASE - LATER

Rick and Zlippy Dip break out a deck of cards and several dice. Zlippy Dip turns the control dashboard on with his key-shaped finger. All the buttons light up.

RICK
Your key-finger disgusts me.

ZLIPPY DIP
Your whole race disgusts-a me!

Hundreds of miniature monitors turn on, each labeled with different countries and cities. A grid and several holograms are placed over the window, making the Earth look like a giant board game.

Morty watches in awe. Rick presses buttons on the dashboard.

RICK
Alright Morty, this button controls weather.

The monitor labeled "New York" displays a live-feed of the weather fluctuating between rain and sun.

RICK (CONT'D)
...This button controls mountains.

A monitor labeled "South Dakota" shows the faces on Mt. Rushmore transform into butts. Tourists watch in shock.

RICK (CONT'D)
...And... I forget what this one does.

Rick presses the button and the entire Earth stops spinning. Everything on Earth appears to be frozen and incased in a glossy substance.

RICK (CONT'D)
...Oh, *right*. That locks Earth in a paused, time-tanium state.

ZLIPPY DIP

In that case-

Zlippy Dip presses a button. A barrage of asteroids fall to Earth. The impact leaves no damage whatsoever. The time-tanium subsides and Earth resumes spinning.

Rick gives Zlippy Dip a nasty glare.

ZLIPPY DIP (CONT'D)

What? It's-a not like it left a mark!

MORTY

Holy shit, Rick! It's like the Earth is some kinda sandbox- er Playdoh or something!

RICK

Yup.

Morty points to another wall full of buttons.

MORTY

Hey, what do *those* buttons do?

RICK

Oh yeah. So like, half of the buttons in here make pyramids. I'm not sure if it's an elaborate prank, or if the alien engineers were just *really* turned on by pyramids.

Rick rapidly presses a button on and off. A monitor labeled "Egypt" shows a live-feed of a pyramid phasing in and out of reality.

MORTY

Geez!

RICK

Zlip! You're a part of this creepy terraforming race! What's the deal with the pyramids?

ZLIPPY DIP

It's funny!

Rick turns back to Morty.

RICK

...It's true. Hundred zleepleweeps
says we'll start a whole new
religion by the end of the day.

ZLIPPY DIP

I wouldn't-a count on it. The Earth
is, how you say, *boned!*

RICK

Alright, let's just start this
fuckin' game already. I'm tired of
hearing your dumbass voice, Zlip.

Rick and Zlippy Dip use a computer keyboard to make hologram-
like markers on the board-game surface.

RICK (CONT'D)

By the way, dibs on Western
Hemisphere.

ZLIPPY DIP

Whatever.

MORTY

Wait, Rick! What's that supposed to
mean?

RICK

Jesus, Morty! It means I'm
protecting our family! Would you
rather I'd pick the other side of
the world and risk destroying my
daughter and... *Jerry?*

MORTY

(sighs)
I guess not.

RICK

Thought so, you little- y-you
little bitch.

Rick and Zlippy Dip each draw five cards from the deck and
roll dice. Rick rolls a two and Zlippy Dip rolls a five.

ZLIPPY DIP

Ha ha... You know what they say,
Rick. The first person to strike
always wins the battle.

RICK
Yeah, good one. Literally nobody
has ever said that. Just play your
damn card already.

ZLIPPY DIP
(maniacally)
Oh, I will. Things are about to-a
get *quake-y!*

Zlippy Dip reveals an earthquake card. Rick grabs his dice.

RICK
Shit.

MORTY
What's that mean, Rick? What's that
mean?

RICK
It means grandpa has to roll some
low numbers.

Rick rolls two dice. One is a *one*, and the other is a *two*.

RICK (CONT'D)
Suck it, Zlip!

Zlippy Dip presses the earthquake button, set at a level of
three intensity out of twelve.

INT. SMITH LIVING ROOM - MOMENTS LATER

Jerry sits on his couch reading the creepy book. Beth
continues to pester him.

BETH
Honestly, Jerry? This is what your
life has become?

JERRY
Oh come on, Beth! Just look at this
thing!

BETH
That book is older than a fossil,
Jerry.

JERRY
(under his breath)
Well if you hate fossils so much,
why do we keep your dad around...

BETH
 (yelling)
 Oh this, again? Jerry! I swear-

JERRY
Doopie, doopie! Alkaline schmoopy!

Beat.

BETH
 ...What the hell?

JERRY
 You can't argue with silly words
 like that, can you?! This book is
 chock-full of them!

The ground begins to shake.

BETH
Jerry?

JERRY
 (crying and yelling)
 Get down, Beth! Save yourself!

Jerry runs into the kitchen and hides underneath the kitchen table. The shaking subsides.

JERRY (CONT'D)
 How the hell? ...Beth? Do you
 remember the last time we had an
earthquake here?

BETH
 Jerry, I think you should take a
 look at this.

JERRY
 No, I'm serious, Beth! We never
 have earthquakes-

Jerry returns to the living room. He and Beth look out the window. They see green rain pouring from the sky.

INT. MOON BASE - CONTROL ROOM - CONTINUOUS

Rick looks pissed off as he holds a card labeled "Green Rain."

RICK
 Well, it was either that or *octuple rainbows*.

ZLIPPY DIP
Oof. Bad cards, Rick? Maybe *I*
should have shuffled.

Rick growls at Zlippy Dip. Morty stops him.

MORTY
What does the green rain do? Why is
it green? *Why did you place it on
your own territory?*

RICK
Calm down, Morty! Just look at the
monitor.

Rick, Morty and Zlippy Dip look at several monitors with U.S.
cities on them.

Transition through the monitor into the Smith's neighborhood.

EXT. SMITH DRIVEWAY - CONTINUOUS

Jerry, Beth and several neighbors look to the sky in awe.

JERRY
What is with this stuff?

BETH
My dad's probably saving the world
again.

JERRY
Yeah, right. Your dad only causes
disasters. Unless... *Unless this is
acid!*

Jerry uses his creepy book to shield himself from the rain.
His eyes widen as he looks up to his book.

JERRY (CONT'D)
Wait a second... *Beth!* This wasn't
your father's doing... It was *mine!*

BETH
(painfully sarcastic)
Yeah, alright, Jerry.

JERRY
No, I'm serious!

Jerry flips to another page in the book.

JERRY (CONT'D)
 Uhh, let's see here... Wiggity
 wiggity, purple durple hop skotch!

The clouds begin to disappear. The rain stops. All of the plants and vegetation in the neighborhood shimmer with a healthy green glow.

JERRY (CONT'D)
 I... I did it.
 (on the verge of tears)
I really did it!

BETH
 Jerry, you've done nothing.

JERRY
 (ignoring Beth)
 This is it! This is my calling! *I know what must be done!*

BETH
 (rolls eyes)
 Oh, here we go.

JERRY
 (yelling to the sky)
 I was given this book to make the world a better place! Goodbye "Jerrific Deals!" Hello, Jerry, *master wizard of all things good!*

The apple tree across the street snaps in half, as the apples grow to the size of televisions.

INT. MOON BASE - CONTROL ROOM - CONTINUOUS

Morty shakes his head in embarrassment at his dad. Rick laughs and turns the monitor away.

RICK
 Okay, never mind. That card was worth it! *Ha ha!*

ZLIPPY DIP
 Yeah, what a dumbass.

RICK
Word.

Morty sighs and looks away.

ZLIPPY DIP

Rick, how do you sleep at night knowing that you live on such a primitive planet?

MORTY

(interjecting)

Hey, don't say that about my family, Zlip!

RICK

Yeah, you tell him, *Morty!*

(to Zlippy Dip)

But seriously, Earth is pretty shitty.

MORTY

Rick! Whose side are you on?!

RICK

Jesus, Morty! Everything is gonna be fine.

Zlippy Dip places down a tsunami card. Rick rolls a nine.

RICK (CONT'D)

Welp, there goes half of the east coast.

Rick presses a button and several cities are torn apart by a raging tsunami. Rick shows no emotion.

MORTY

Oh my god, Rick!

(crying)

You just killed all those people, you monster! Do you even care about our family? W-What-what if something happens to our-

RICK

(grabbing Morty)

Morty, nothing is gonna happen to our family. I promise. What do I look like? Some kind of... some kind of non-promise keeper?

Morty continues to shed tears.

RICK (CONT'D)

That's what I thought, Morty. We've got to do this. And we'll do it by hurting as few people as possible.

Rick draws a card. He smiles maniacally as he places a "malaria" card down. Zlippy Dip rolls an eleven.

RICK (CONT'D)
 (to Zlippy Dip)
 Boom! Read em' and weep, asshole!
 Ha ha ha! Death by disease! That'll-
 that'll teach 'em.

Rick drinks from his flask. Morty looks shocked.

EXT. SMITH NEIGHBORHOOD - NOON

Several neighbors (including BOB and DAVE) stand outside looking at the giant apples. Jerry enters, wearing a Harry Potter outfit.

JERRY
 Good day, gentlemen!

Everyone pauses and laughs at Jerry.

JERRY (CONT'D)
 What? You don't like my new outfit?

BOB
 You never fail to make my day
 enjoyable, Jerry Smith!

DAVE
 Yeah, you gryffin-dork!

Everyone continues to laugh. Jerry flips through his book.

JERRY
 Laugh all you want, but I assure
 you, you're going to regret making
 fun of me.
 (clears his throat)
 Shoppa Dockey launch 'n conch
 flippy flappy Nickelback live in
 concert!

Everyone stares at him, before bursting into laughter. Jerry stands confidently.

JERRY (CONT'D)
 Now taste the power of-

The ground rips open before them. Zombies pull themselves out of the holes. Everyone gasps as the zombies shriek.

An OLD ZOMBIE begins to grab Dave. Before Dave has a chance to run, the old zombie speaks.

OLD ZOMBIE

D-Dave?

DAVE

Dad? Is that you?

Both Dave and the zombie run to each other and hug, tears flowing out of their eyes. The other zombies start wandering around, reuniting with their families.

DAVE (CONT'D)

(crying)

Jerry? ...Jerry! I'm sorry I ever doubted you.

Jerry has an extremely confident look on his face.

INT. SMITH LIVING ROOM - CONTINUOUS

Beth looks at Jerry being complimented through the window. She scoffs and closes the blinds.

INT. MOON BASE - CONTROL ROOM - CONTINUOUS

Zlippy Dip holds his arms in the air, confused at what he just witnessed. Several monitors show zombies eating people all across America, except for Rick's neighborhood, where the zombies were friendly.

ZLIPPY DIP

What's-a with this bullshit?

MORTY

Wow, Rick! Are the zombies tame because of that magical green rain thing you used earlier?

RICK

Uh, sure. It was all... part of the plan.

ZLIPPY DIP

Eh, it doesn't matter that much. My zombies have-a already destroyed Chicago, Pittsburgh and Paris!

MORTY

Wait, isn't Paris on your turf?

RICK
No, Morty. I think he means Vegas.

MORTY
Oh.

The board-game hologram shows Zlippy Dip being in the lead. He has destroyed 27% of Rick's territory. Rick has only destroyed 18% of Zlippy Dip's. Rick draws a card. Morty looks at Rick's hand.

RICK
(whispering to Morty)
Now, Morty, if I *really* wanted to, I could use this supernatural repellent to save my own cities from the zombies.

Rick shows Morty another card.

RICK (CONT'D)
(whispering to Morty)
But, I think this card would be a lot more strategic and funny.

The card is called "Oops! We 'accidentally' dropped a Nuke!" with Russian text underneath.

The "Moscow" monitor shows several small nukes launch towards Europe, Africa and Asia. Rick's percentage moves up to 40%.

ZLIPPY DIP
Fuck you, Rick! This game is just getting started!

INT/EXT. MONTAGE

Montage of Zlippy Dip and Rick placing down cards. With each shot, a more terrible event is set in place.

Rick makes a city catch on fire. Zlippy Dip sends swarms of bees towards Rick's territories. Rick responds with sending flaming bees back at Zlippy Dip's cities.

Rick will occasionally watch over his hometown, making sure that nothing happens to his family. Rick shows no emotion, fooling Morty into thinking that he doesn't care.

Rick and Zlippy Dip's showdown is intercut with shots of Jerry.

Jerry is making new friends in his neighborhood. People come to him for help, and he heals them (while in actuality, Rick uses healing cards to keep the town safe).

Large monsters swarm Jerry's neighborhood, but he scares them away with lightning storms. Rick laughs at Jerry's stupidity.

INT. SMITH LIVING ROOM - LATER

Jerry has decorated the living room to resemble a classroom. Several people, including DAVID and MATT, sit in desks.

Jerry enters, wearing a more extravagant wizard outfit.

JERRY

Okay class! Can anybody tell me what the most important part of chanting a spell is?

David raises his hand.

JERRY (CONT'D)

Yes, David!

DAVID

The most important part of chanting is filling your voice with confidence and emotion.

JERRY

That is completely correct!

Beth walks in with groceries.

BETH

Jerry. I'm gone thirty minutes, and you've already converted our neighborhood into a fucking cult?

JERRY

Language, Beth! There are children here. ...And, yes. I have.

BETH

When is this going to stop, Jerry?

Matt gets out of his seat.

MATT

Excuse me, ma'am! You shall only refer to our teacher as Supreme Sorcerer Smith.

BETH
 Uh, yeah... Not gonna happen.
 (to Jerry)
 Jerry. We're done.

JERRY
 What? You're just gonna pack up and
 leave?

BETH
 I'm packing *your* things and kicking
 you out.

Beth walks into the kitchen. Jerry looks back at his class.

JERRY
 Now students, unfortunately I'm
 going to have to cancel class early
 tonight.

DAVID
 Can't you just use magic to make
 your wife love you?

JERRY
 I mean... You know what? I bet I
 can!

Jerry flips through his book to a page with a heart on it.

INT. MOON BASE - CONTROL ROOM

The words "Endtime Event" scroll over every monitor.

MORTY
 Woah, what's happening?

ZLIPPY DIP
 Mama mia! Endtime event!

RICK
 (to Morty)
 The game only lasts about fifty
 turns. Now that it's over halfway,
 a worldly event plays that affects
 everybody.

ZLIPPY DIP
 Back in college, I had the greatest
 luck with-a the worldly events!

RICK
Yeah, but your luck's about to run
out, bitch.

Rick and Zlippy Dip each pull a lever to a slot machine. The slot machine gives them a card.

RICK (CONT'D)
Oh boy, I haven't seen this one
before...

INT. SMITH KITCHEN - CONTINUOUS

Jerry walks into the kitchen with his students behind him. Beth looks at them in disgust.

JERRY
Beth! I need to tell you something.

BETH
You have about fifteen seconds
before I drop you in front of these
idiots.

JERRY
Um... *Slackity dack pack, flim flam*
Shiq-du-rack!

Jerry holds his hand out as if he could shoot magic at Beth. Nothing happens.

JERRY (CONT'D)
D-did it work?

Beth slaps him and exits the kitchen. The students start to whisper to each other.

MATT
His wizardness has failed?!

JERRY
I-I-I-uh!

Jerry stressfully flips through the book. Jerry drops the book and the students see it.

DAVID
Are you sure this is real?

MATT
I can't believe this!

MR. GOLDENFOLD

*Do you have any more Sports
Illustrated mags?*

Suddenly, every metallic object in the kitchen begins to lift off the ground. They stick to the ceiling.

JERRY

What the-

Everyone looks outside. Thousands of metallic objects float to the sky. A man with braces sobs as he floats away.

INT. MOON BASE - CONTROL ROOM - CONTINUOUS

Rick and Zlippy Dip laugh. Morty looks at the worldly card they were given, labeled "Metal is gone or something, the card."

RICK

Who knew we were reverting this planet back to the stone age?

ZLIPPY DIP

Might as well make-a some pyramids while we're at it!

Morty snaps and pushes Rick into the corner.

MORTY

Listen, Rick. I know that you don't care about Earth, or anyone on it, but *I* do. You promised me you would help our family! By the look of things, we're about to end our own species. Can you just end this game?

RICK

(whispering)

You don't understand, Morty. I can't just *quit*. Zlippy Dip is the only being that can control this place. If we quit, he'll just destroy the Earth anyway.

MORTY

Can't you just kill him?

RICK

Damn. What happened to peaceful Morty that wanted everyone to live?

MORTY
This is different!

RICK
I need to *beat* him. That's the only
way he'll stop. His species are
rule-followers!

MORTY
(sighs)
Alright...

Rick and Morty return to Zlippy Dip.

ZLIPPY DIP
Hey assholes, would you mind
rolling the dice, things are about
to get-a *spicy*.

Zlippy Dip shows an asteroid card.

Rick grabs the dice to determine the level of the asteroid.
He rolls a twelve.

RICK
Oh *fuck*.

ZLIPPY DIP
Game. Set. Match.

EXT. SMITH DRIVEWAY - EVENING

The students angrily leave Jerry's house. Thousands of
metallic objects fill the sky.

All of a sudden, asteroids come into view. Neighbors begin to
gather at Jerry's lawn with pitchforks and signs.

JERRY
Listen, everybody! This is not my
fault! I-I had nothing to do with
this!

Beth exits her house with one of Rick's sci-fi guns.

BETH
Get off of my lawn, bitches!

JERRY
Beth, you believe me, right?!

BETH
I believe you're a huge idiot,
Jerry. But you don't even come
close to *these* idiots.

INT. SMITH LIVING ROOM - CONTINUOUS

Beth and Jerry walk into the living room and watch the news. Every channel on TV reports the dangerous weather fluctuations, disasters and potential third world war.

JERRY
Was this...?

BETH
Not you, Jerry. Your book is fake.

JERRY
Thank God.

BETH
We need to find shelter.

INT. MOON BASE - CONTROL ROOM

Rick is severely behind Zlippy Dip, who is about to win. "Chance Time" occurs, and confetti shoots out of the air vents.

RICK
(insanely hyped)
Oh, shit motherfuckers! Chance
time!

MORTY
Wait, what?

RICK
Since grandpa's about to lose with
a huge disadvantage, I get a free
card that will hopefully make
things even again.

ZLIPPY DIP
Pff.

Rick gets a card from the machine. The card says "Make the weather slightly warmer."

ZLIPPY DIP (CONT'D)
Ha! So much for good luck!

Rick sneakily takes a sharpie out of his pocket and starts writing on the card.

INT. SMITH GARAGE - NIGHT

Beth and Jerry try to open up the fallout shelter in Rick's lab.

BETH

Dammit. It won't open!

JERRY

Ugh! Call Rick! He can save us, right?

There is yelling outside the garage door. The angry neighbors are still surrounding the house.

INT. MOON BASE - CONTROL ROOM -CONTINUOUS

The Holograms begin to fade as the game comes to a close. A menu says "reversing early cards."

EXT. SMITH DRIVEWAY - NIGHT

The metallic objects fall back to Earth. The zombies that were once friendly, start to deteriorate and fall apart.

The giant apples rot and shrink.

The angry mob breaks into the Smith's house.

INT. THE SMITH HOUSE - CONTINUOUS

The angry mob start yelling and chase Jerry outside his house. Jerry struggles to run due to his overly extravagant wizard costume.

INT. MOON BASE - CONTROL ROOM - CONTINUOUS

Zlippy Dip has a big smile on his face. Morty is practically pissing his pants.

ZLIPPY DIP

Any last words?

MORTY

Yeah. Why do you wanna destroy Earth? What happened between you two?

ZLIPPY DIP

You really wanna know? Rick cheated in our last bet. Because of that, he won, forcing me to spend several decades serving some magical dipshit.

RICK

I didn't cheat.

ZLIPPY DIP

Yes you-a did! And now I want all humans to *die!*

RICK

Come on, Zlip. The past is in the perlini, right?

ZLIPPY DIP

(shrugging)

That is *true*. But I already played the card.

Rick takes out his "time-tanium" card and freezes the planet. The Earth stops spinning.

As the asteroids hit the surface, they leave no damage.

Zlippy Dip yells angrily. Rick grabs the steering wheel and starts up the moon engines.

ZLIPPY DIP (CONT'D)

(yelling)

What are you-a doing?

RICK

What I should've done before your fuck-face came back to the Milky Way.

The moon enters the Earth's atmosphere as it begins to crash downwards. Rick and Morty portal away.

Zlippy Dip tries to enter his escape pod, but it's covered in debris. Rick's time-tanium card falls in front of Zlippy Dip. He realizes that Rick wrote over the card- it wasn't actually a time-tanium card at all.

ZLIPPY DIP
Cheaters!

The moon crashes down violently into the Earth, leaving no damage. The time-tanium subsides.

EXT. SMITH NEIGHBORHOOD - CONTINUOUS

Rick and Morty enter from a portal. The neighborhood is covered in moon chunks.

MORTY
 Wow, Rick! You really did it!

RICK
 Yup. That's what I- it's what I always do!

MORTY
 But why would he play with you again if he *knew* that you used to cheat?

RICK
 Some people are just extraordinarily stupid.

Jerry runs in the distance. An angry mob follows him.

Zlippy Dip, bruised, stands up out of the destroyed moon pieces and gives Rick a nasty look.

ZLIPPY DIP
 Rick Sanchez, I'm-a going to *slice you into pepperoni!*

Rick reaches for his gun holster, which isn't there.

RICK
Dicks!

Jerry runs past Rick and Morty and continues down the street. He hides behind a giant moon chunk.

The angry mob brutally murder Zlippy Dip, mistaking him for Jerry, who shares the same extravagant clothing.

MORTY
Oh my god!

RICK
 Ehh, he killed more people than I did. He deserved it.

MORTY

(sighing)

Luckily everyone hates my dad so much that they tried to kill him.

RICK

Yeah. My Jerry distress alarm was off the charts. Finally some *piece and quiet*.

As Rick and Morty walk away, Rick begins to sing "That's Amore!" The camera pans out, revealing the Earth covered in chunks of moon rock.

FADE TO BLACK.
